Notice to Applicant

The plans and specifications submitted with this application for this permit as approved by this division, shall not be changed, modified, or altered without written authorization. This permit becomes null and void if work or construction is not commenced within 180 days or if construction or work is suspended or abandoned for a period to 180 days at a time after work is commenced. Such time period shall be evidenced by a record request for City Inspection. By signing this permit I certify that I have read and examined this permit and know the information supplied by me to be true and correct. Article 3. Regulation A.R.S.32-1151. Engaging in contracting without license prohibited. It is unlawful for a person, firm, partnership, corporation, association or other organization, or a combination of any of them to engage in the business, act or offer to act in the capacity of contractor without having his own license in good standing in his own name therefore as provided in this chapter, unless the person, firm, partnership, corporation, association or other organization is exempt as provided in this chapter. Evidence of securing a permit from a governmental agency or the employment of a person on a construction project shall be accepted in any court as prima facie evidence of existence of a contract..

Application Continued on Reverse Side

The undersigned does hereby swear and affirm that he/she is the applicant for a building permit identified in the attached application and he/she:
